

RISK MANAGEMENT TRAINING FOR ADMINISTRATORS
COURSE DESCRIPTION
SPONSORED BY NOLS RISK SERVICES

DATES: April 16-17, 2019
COST: \$650 (USD only)
LOCATION: NOLS Southwest
2751 N Soldier Trail
Tucson, AZ 85749

COURSE DESCRIPTION

Whether your program is small or large, wilderness based or study abroad, you have a responsibility to your staff and participants to invest in risk management planning. Building a comprehensive risk management plan can feel daunting. Our goal is to provide you a structured approach and tools to build a risk management plan appropriate for your organization. We'll share our experiences managing risk in wilderness environments around the world. At NOLS, we've had fifty years to learn the risk management lessons that you may just be starting to face. Let us share our experience with you.

TRAINING BENEFITS

Every training strives to meet the unique demands of its audience. Working within this framework, it is our intent that each participant gains the skills and tools to build or enhance an existing risk management plan. Specifically you will:

- Learn a structured approach to organizing a risk management plan.
- Think analytically about curriculum, administrative processes, staff hiring and training, field support service, and crisis planning.
- Use the Risk Management framework to evaluate an incident and a program for weaknesses in their risk management plan.
- Participate in exercises to help you evaluate your approach to staffing, contracting, and emergency and crisis planning.
- Receive the NOLS Wilderness Medicine Protocol Package, the NOLS Crisis template and many other documents to assist you in building your plan.
- Build a risk management action plan for your organization.

COURSE LOCATION

NOLS Southwest
