## COURSE DESCRIPTION

Whether spending time in the backcountry is your passion or your profession, you should never have to ask, "What do I do now?" Prepare for the unexpected with this fun, hands-on introduction to wilderness medicine.

If you like to take short trips relatively close to medical resources, work at camps or lead wilderness trips, enjoy weekend family outdoor activities, or recreate outdoors, this course is for you.

You'll learn the Patient Assessment System, how to provide effective first aid treatments for injuries and illnesses common in the outdoors, how to manage environmental emergencies, and how to make appropriate evacuation decisions. You will spend half your time practicing skills and participating in realistic scenarios.

NOLS Wilderness Medicine's course is approved by such organizations as the American Camp Association, the United States Coast Guard, and other states as well as federal agencies.

Upon successful course completion you will earn the following NOLS Wilderness Medicine certifications: Wilderness First Aid, Epinephrine Auto-injector, and on courses with the CPR module, Adult and Child CPR & Airway Management.

## CLASS FORMAT AND PERSONAL PREPAREDNESS

Check-in is 12:45 pM on the first day. Course days run from 1-5p on Friday and 8a to 5p on Saturday & Sunday. All course materials will be provided on the first day of the course.

The class format is classroom lectures integrated with practical scenarios, case studies, and skills practice sessions. Attendance is required at all classes.

Scenarios and practice sessions will take place both inside and outside. Bring outdoor clothing appropriate for lying on the potentially wet, snowy, or cold ground playing the role of both rescuer and patient.

Frequently stage (moulage) blood and make-up are used to enhance the realism of a scenario. The classroom environment generally lends itself to a pair of comfy shoes and a camp chair.

## PACKING CHECKLIST

- ☐ Notebook and pencil or pen
- ☐ Watch with a second hand or digital second

- ☐ Sunglasses and hat
- ☐ Water bottle
- ☐ Light day pack
- ☐ Waterproof outerwear top and bottom

Tuition payment in full is required to reserve your spot in the course. The tuition fee includes instruction, handouts, a field pocket-guide, equipment use, and certification. A full refund will be given if we need to cancel the course for any reason.

**Course Tuition:** \$290

**Room & board:** \$165.43

**Phone payment** with Sacha Jackson, 208.885.9517

**Checks payable** to *University of Idaho, Bursar*; remit payment to *McCall Field Campus, ATTN: Sacha Jackson, PO Box 1025, McCall, ID 83638*

## WFA/WFR/WEMT RECERTIFICATION REQUIREMENTS

NOLS Wilderness Medicine certification holders may take a Wilderness First Aid (WFA) course to recertify a WFA, WFR or WEMT certification. Certification holders from other wilderness medicine training organizations cannot recertify through a Wilderness First Aid course.

NOLS Wilderness Medicine certifications will be afforded a one-year period after expiration within which to recertify. You should bring your certification card to the course so the instructor can verify the expiration date. For more information please visit our recertification policy [here](#).

The Wilderness First Aid (WFA) course is an introductory course for individuals with no prior knowledge and generally, does not include CPR.

The preferred way to recertify your certification is to enroll in a Wilderness First Responder Recertification course (WFR-R), or through our Hybrid WFR Recertification course, which adds an online component in addition to traditional scenarios and skills.

These courses are specifically designed for students needing recertification.

Follow these links for more information:

[WFR-R & Hybrid WFR-R](#)

You will be required to pass both a written and a practical test. Check the [Wilderness Medicine Resources](#) web page for information and resources on how to best prepare for your course.

## **NOLS WILDERNESS MEDICINE STUDENT AGREEMENT**

Please download the [NOLS Student Agreement](#) and read it carefully as it affects your legal rights.

Bring the two-page signed document to the first day of the course. If you are a minor, a parent or guardian must sign the document as well. Without a signed document, you cannot participate in the course. NOLS Wilderness Medicine participants, including minors, will have unsupervised free time throughout the course. Any activities during the free time are not part of the NOLS Wilderness Medicine program and are at the sole risk of the participant.

## **NOLS WILDERNESS MEDICINE POLICIES**

### **Cancellations**

If you cancel or withdraw from a course:

- Greater than or equal to 45 days prior to the course start date, the McCall Outdoor Science School will retain a \$50.00 administrative fee. The remainder of tuition collected to date will be refunded.
- Within 45 days of the course start date, tuition is non-refundable and non-transferable.
- Once the course begins, no refunds will be awarded. All course registrations are non-transferable.

### **Pets**

Pets are not allowed at the course site. This includes leashing them outside. Any student bringing a pet to class will be asked to leave until the pet is safely situated in a kennel or other facility. No exceptions.

### **Service Animals**

Please contact the Wilderness Medicine office at 1-866-831-9001 if you intend to bring a service animal to the course.

### **Alcohol, Drugs, Tobacco & Weapons**

No alcohol, no drugs, no tobacco, and no weapons are allowed in the classroom.

## **COLLEGE CREDITS**

### **Pre-Course Access to College Credit**

The WFA course is pre-approved for 0.5 credit through Western State Colorado University or an additional cost. Interested students must initiate registration and payment

for credit by contacting Western at least 30 days prior to the course start. More information can be found [here](#).

### **On-Course Access to College Credit**

The WFA course is pre-approved for one semester hour credit through the University of Utah for an additional cost. If you are interested in receiving college credit, please ask your instructors on the first day of class for the necessary information.

## **STUDENT LOGISTICS**

### **Room & Board**

Lodging is available beginning Thursday, August 20 and ending Sunday, August 23. The lodging facilities are bunkhouse units and space may be shared with up to seven others. Bring bedding, linens and toiletries with you; bottom sheets are provided.

Meals begin with Dinner on Friday, August 21 and end with lunch on Sunday, August 23. Meals are 30 minutes long; be sure to arrive in the first 10 minutes to ensure someone doesn't get seconds before you get firsts! We serve one main entree with sides and a yogurt/fruit or salad bar. We are happy to accommodate allergies, vegetarians and special meal requests. Contact us to discuss your specific meal needs.

### **Travel**

The McCall Field Campus is located on the shores of Payette Lake, inside Ponderosa State Park, about 1.5 miles (2.4 km) north of McCall, Idaho. McCall can be reached heading south via State Highway 55 from New Meadows, Idaho, and reached by heading north on Highway 55 from Boise. Turn east on Railroad Ave; turn left at the second stop sign on Davis; go through the stop sign on Lick Creek and drive into the park; go through the kiosk (stop and tell the PSP employee that you are coming here); and you will see our driveway on the left.
