

NOLS Wilderness Medicine
Wilderness First Aid (WFA)
Sponsored Pacific Wilds

Student Information:

Dates: November 9-10, 2024 (two days) 8am-5pm. Arrive at 7:45am on day 1.

Location: Mt Hood Town Hall 6575 OR-35, Mt Hood, OR 97041

About this Course

Prepare for the unexpected with this fun, hands-on introduction to wilderness medicine. If you like to take short trips relatively close to medical resources, enjoy weekend family outdoor activities, or recreate outdoors this course is for you.

You'll learn the Patient Assessment System, how to provide effective first aid treatments for injuries and illnesses common in the outdoors, how to manage environmental emergencies, and how to make appropriate evacuation decisions. You will spend half your time practicing skills and participating in realistic scenarios.

Successful course completion will earn the following NOLS Wilderness Medicine certifications:

- Wilderness First Aid
- Epinephrine Auto-injector

Class Format

Check-in is between 7:45am and 8:00 am on the first day. On subsequent days, please plan on arriving by 8 AM. Course days run from 8:00 AM to 5:00 PM with an hour-long break for lunch at noon. If a student misses more than 1 hour of the course certification cannot be issued.

The class format involves lectures integrated with practical scenarios, case studies, and skills practice sessions. Attendance is required at all classes.

Curriculum

Our curriculum has been developed and has evolved over decades by medical professionals and experts in outdoor education. Our instructors are expert educators with years of medical and wilderness leadership experience. Please see the WFA Course Outline for an overview and schedule of topics covered during your course. You can read more about our curriculum on the NOLS website as well as view other curriculum resources here.

What to Bring

- Snacks and lunch
